Message:

I want to commend your employee John Hewitt who found my wallet in the street, got in touch with me and brought to my home. He refused any reward. A fine example of government service.

The reporter can be contacted.

Mr. Bradbury,

Thank you for writing to inform us of Field Supervisor John Hewitt's good deed. Though it does not surprise us, it always nice to hear positive feedback like this. John exemplifies the high standards of public service, personal integrity, and customer satisfaction that we hold here at the Water Utility.

Sincerely,

Tom Heikkinen
