The notice will include a job description, classification, qualifications, and application procedures and deadlines. Manager agrees to interview and consider candidates referred by the Affirmative Action Division if the candidate meets the minimum qualification standards established by Manager, and if the referral is timely. A referral is timely if it is received by Manager on or before the date stated in the notice.

(b) Affirmative Action. Unless otherwise exempt under Section 39.02(9)(a)2, Madison General Ordinances, Manager shall comply with the following provisions. For purposes of this Section 28(b), the word “Contractor” shall mean Manager, its contractors and subcontractors.

(i) Contractor shall take affirmative action in accordance with the provisions of this Agreement to insure that applicants are employed, and that employees are treated during employment without regard to race, religion, color, age, marital status, disability, sex or national origin and that the employer shall provide harassment-free work environment for the realization of the potential of each employee. Such action shall include, but not be limited to, the following: employment, upgrading, demotion or transfer, recruitment or recruitment advertising, layoff or termination, rates of pay or other forms of compensation and selection for training including apprenticeship insofar as it is within the control of the contractor. Contractor agrees to post in conspicuous places available to employees and applicants notices to be provided by the City setting out the provisions of the nondiscrimination clauses in this contract.

(ii) Contractor shall in all solicitations or advertisements for employees placed by or on behalf of the Contractor state that all qualified or qualifiable applicants will be employed without regard to race, religion, color, age, marital status, disability, sex or national origin.

(iii) Contractor shall send to each labor union or representative of workers with which it has a collective bargaining agreement or other contract or understanding a notice to be provided by the City advising the labor union or workers representative of the Contractor's equal employment opportunity and

affirmative action commitments. Such notices shall be posted in conspicuous places available to employees and applicants for employment.

(iv) Contractor agrees that it will comply with all provisions of the Affirmative Action Ordinance of the City of Madison including the contract compliance requirements. Contractor warrants and certifies that, of the following two paragraphs, paragraph A or B is true (check one):

1) It has prepared and has on file an affirmative action plan that meets the format requirements of Federal Revised Order No, 4, 41 CFR part 60-2, as established by 43 CFR 51400 November 3, 1978, including appendices required by City of Madison ordinances or it has prepared and has on file a model affirmative action plan approved by the Madison Common Council \_\_\_\_\_.

2) Within thirty (30) days after the effective date of this Loan Agreement, it will complete an affirmative action plan that meets the format requirements of Federal Revised Order No. 4, 41 CFR Part 60-2, as established by 43 CFR 51400, November 3, 1978, including appendices required by City of Madison ordinance or within thirty (30) days after the effective date of this contract, it will complete a model affirmative action plan approved by the Madison Common Council \_\_\_\_\_.

(v) Contractor will maintain records as required by Section 39.05(9)(f) of the Madison General Ordinances and will provide the City's Affirmative Action Officer with access to such records and to persons who have relevant and necessary information, as provided in Section 39.05(9)(f). The City shall keep all such records confidential, except to the extent that public inspection is required by law.

(vi) In the event of Contractor's or subcontractor's failure to comply with the Equal Employment Opportunity and Affirmative Action provisions of this contract or Sections 39.02 and 39.05 of the Madison General Ordinances, it is agreed that the Issuer at its option may do any or all of the following:

1) Cancel, terminate or suspend the Agreement in whole or in part.

2) Declare the Contractor ineligible for further City contracts until the Affirmative Action requirements are met.

3) Recover on behalf of the City from the prime contractor 0.5 percent of the contract award price for each week that such party fails or refuses to comply, in the nature of liquidated damages, but not to exceed a total of five percent (5%) of the contract price, or five thousand dollars (\$5,000), whichever is less. Under public works contracts, if a

subcontractor is in noncompliance, the City may recover liquidated damages from the prime contractor in the manner described above. The preceding sentence shall not be construed to prohibit a prime contractor from recovering the amount of such damage from the noncomplying subcontractor.

(vii) Contractor shall allow the maximum feasible opportunity to small business enterprises to compete for any subcontracts entered into pursuant to this Agreement. (In federally funded contracts the terms "DBE, MBE, and WBE" shall be substituted for the term "small business" in this Article.)

(c) Nondiscrimination. In the performance of its obligations under the Agreement, Manager agrees not to discriminate against any employee or applicant because of race, religion, marital status, age, color, sex, handicap, national origin or ancestry, income level or source of income, arrest record or conviction record, less than honorable discharge, physical appearance, sexual orientation, political beliefs, or student status. Manager further agrees not to discriminate against any subcontractor or person who offers to subcontract on the Agreement because of race, religion, color, age, disability, sex or national origin.
