To whom this may concern,

My name is Ronny Diaz. I am the bouncer and security for Cocu's Mexican Restaurant which is located at 144 Buckeye Dr, Madison Wisconsin, East side. Since I have been working for Cocu's we have created an emergency plan. We two emergency exits one is located in the front side on the restaurant and the second one is located at the back part of the restaurant. The maximum capacity of the restaurant is 80 people.

As our emergency contacts we have the general 911 services. We also have the non-emergency number for the police department which is 608-255-2345. We make sure that we keep a healthy environment for customers and community. Making sure we and the customers are respecting the city's laws and orders. As well with closing the bar at 1:30 A.M, with also turning the lights on at 1:45 A.M to get the customers time to prepare themselves to leave and our self time to identify which customer will need transportation making sure the customers leave in a secure way. Calling and providing taxis as transportation to make sure the commuters get home safely. Since we have applied these rules we are receiving a positive results. To reduce any inconveniences or creating any problems to the businesses, to our community, or to the police department.

Cocu's Restaurant is for all community to enjoy a relaxing, secure place.

Thank you and God bless you. For any further questions please call me at (608)-446-1288.
