

Agency Landscape + Planning

If selected to proceed to the next phase:

1. Who will be the key members of your team that will work on the plan refinement phase and identify their roles.
2. Who will be your local liaison?
3. What are your thoughts for public engagement during the plan refine phase?
4. How will your firm's Principals be involved?
5. Identify 1-2 recent projects that you feel most closely resembles your master plan proposal.
6. What is your approach to developing a phasing plan that starts with a first phase that generates excitement and momentum for the entire project? Give us examples.
7. How will you review and potentially integrate concepts from the other plans to take advantage of multiple visions for the project?
8. What is your experience working with public/private partnerships and how do you help to bridge and assist each in achieving the overall mission?
