Action Text: Assistant Chief Tye from the Madison Police Department indicated there was a modification to the resolution as the grant doesn't allow payment for Wisconsin retirement contributions for overtime. He indicated the police department will absorb the costs for overtime which will be around \$1,020.00.

Alder Knox made a motion to approve and supports the modification. Alder Field seconded the motion. There was unanimous consent for approval. Motion passes.

Konkel mentioned at some point she would like to see the committee have a larger discussion on what type of grants the police department seeks out and what types of grants that community may want.

Fiscal Note

The proposed resolution amends the Police Department's operating budget and authorizes the acceptance of a Project Safe Neighborhoods grant award from the Wisconsin Department of Justice in the amount of \$9,278. The grant will pay overtime costs incurred to process ballistic casings in the National Integrated Ballistic Information Network, an investigative tool to address gun related crimes. Investigators are expected to process casings within 24 hours of receipt which can necessitate overtime. The grant will be used to cover the overtime salaries and benefits incurred for processing while the funding lasts. There is no impact on the levy.
