Re: Certificate of Appropriateness for 515 S Paterson Street

At its meeting on June 17, 2019, the Landmarks Commission reviewed, in accordance with the provisions of the Historic Preservation Ordinance, your plans to alter the exterior of the structure located at 515 S Paterson Street in the Third Lake Ridge historic district. The Commission approved a Certificate of Appropriateness to:

- Remove the decorative window on the second-story front porch
- Relocate that window to the west side of the house
- Convert the former window opening to a door opening
- Door shall be the two-row multi-light design as proposed by the applicant

This letter will serve as the "Certificate of Appropriateness" for the project described above. When you apply for a building permit, take this letter with you to the Building Inspection Counter, Department of Planning and Development, 215 Martin Luther King Jr Blvd, Suite 017.

Please note that any scope of work or design changes from the alterations approved herein must receive approval by the Landmarks Commission, or staff designee, prior to commencing with the work. This Certificate is valid for 24 months from the date of issuance.

Please also note that failure to comply with the conditions of your approval is subject to a forfeiture of up to \$500 for each day during which a violation of the Landmarks Commission ordinance continues (see Madison General Ordinances Chapter 41, Historic Preservation Ordinance).

Please contact me at 608-266-6552 or [landmarkscommission@cityofmadison.com](mailto:landmarkscommission@cityofmadison.com) with any questions.

Sincerely,
