Subject: Blackhawk Neighborhood, CSM River Birch Ct. and vacating of Ct.

Hello,

I am writing this email because there is a concern in the Blackhawk Neighborhood about this proposed change and to the feel of our neighborhood. We are requesting that this be a thoughtful decision. We are also hoping that this potential change, not conflict with the vision for the City of Madison. Thanks for your time.

Michelle

We are also wishing that the procedures written by the city be carried through with no steps - "pushed through".
