6300-6500 MILWAUKEE STREET LIGHTING IMPROVEMENT

Dear Property Owner,

There will be a public hearing before the Board of Public Works on May 16, 2007 to create an assessment district to fund the cost of streetlight poles at the locations shown on the attached drawing. The pole style will be identical to those previously installed on Milwaukee Street to the east of these proposed street lights. It is the policy of the City of Madison to assess the cost of installation and materials for streetlights with underground service to the adjacent property owners. This is a one-time assessment and all maintenance and operating costs, once the streetlights are installed, are paid by the City of Madison.

If you have any questions, please call Kevin Fahey (266-6525) in our office.

Sincerely,

David C. Dryer, P.E.

REGARDING THE CRITERIA OF REASONABLENESS AND BENEFIT

This report was prepared and submitted to satisfy the requirements that the City is required to show that the assessments will benefit the properties assessed in the 6300-6500 Milwaukee Street Assessment District as per a recent Wisconsin State Supreme Court Decision (*Berkvam vs. The City of Glendale*, 79 Wis, 2d 279.255 NW 251 (1979)).

Criteria of Reasonableness

It is the opinion of this office that the assessments are, in fact, reasonable. The assessments have been calculated in accordance with the Madison General Ordinances Section 4.09 for assessing costs for street improvements. The cost of the improvements have been assessed to the various parcels based on lot size and zoning.

The Properties Against which the Assessments are proposed are Benefited as follows:

This improvement consists of the installation of street lights, which will promote and enhance the general welfare and safety of people and property in this neighborhood.
