RE: Approval of a demolition permit to demolish a single-family home at **4316 Monona Drive** with no proposed future (ID 52571; LNDUSE-2018-00083).

Dear Mr. Carr;

At its August 20, 2018 meeting, the Plan Commission found the standards met and **approved** your demolition permit for 4316 Monona Drive. The conditions of approval in the following sections shall be satisfied prior to issuance of demolition permits for the project.

Please contact Jenny Kirchgatter, Assistant Zoning Administrator at (608) 266-4429 if you have any questions regarding the following four (4) items:

1. Section 28.185(7)(a)5 requires that if a demolition or removal permit is approved, it shall not be issued until the reuse and recycling plan is approved by the Recycling Coordinator, Bryan Johnson (608-266-4682).
2. Every person who is required to submit a reuse and recycling plan pursuant to Section 28.185(7)(a)5. shall submit documents showing compliance with the plan within sixty (60) days of completion of demolition.
3. A demolition or removal permit is valid for one (1) year from the date of the Plan Commission.
4. Approval of the demolition permit will require the removal of all structures including the single-family dwelling, detached garage, driveway, and walkways. The driveway apron shall be removed and replaced with curb and gutter as per City of Madison Engineering and Traffic Engineering requirements. During demolition and prior to curb and gutter, barriers shall be installed across the driveways to prevent the parking of vehicles. Disturbed areas shall be graded and seeded or sod planted to minimize erosion.

Please contact Brenda Stanley of the City Engineering Division at (608) 261-9127 if you have any questions regarding the following three (3) items:

5. Prior to approval, the owner or owner's representative shall obtain a permit to plug each existing sanitary sewer lateral that serves a building which is proposed for demolition. For each lateral to be plugged the owner shall complete a sewer lateral plugging application and pay the applicable permit fees. The permit application is available on line at <http://www.cityofmadison.com/engineering/permits.cfm>. (MGO CH 35.02(14))

6. The Applicant shall close all abandoned driveways by replacing the curb in front of the driveways and restoring the terrace with grass.
7. The Applicant's project requires the minor restoration of the street and sidewalk. The Applicant shall obtain a Street Excavation Permit for the street restoration work, which is available from the City Engineering Division. The applicant shall pay all fees associated with the permit including inspection fees. (MGO 16.23(9)(d)(6)) This permit application is available on line at <http://www.cityofmadison.com/engineering/permits.cfm>.

Please contact Jeff Quamme of Engineering – Mapping at (608) 266-4097 if you have any questions regarding the following four (4) items:

8. The property boundary for 4316 Monona Drive is not accurate. There was property and a utility easement acquired for the reconstruction of Monona Drive per Document No. 4888913 in 2012. The site plan shall be updated to reflect the change in the western boundary along Monona Drive and to show the utility easement.
9. The existing public sanitary sewer easement per Doc No. 861711 shall be shown over the westerly 4.25 feet of the property of 4316 Monona Drive.
10. The site plan shall identify lot and block numbers of recorded Certified Survey Map or Plat.
11. The site plan shall include a full and complete legal description of the site or property being subjected to this application.

Please contact William Sullivan of the Fire Department at (608) 261-9658 if you have any questions regarding the following one (1) item:

12. Please consider allowing Madison Fire Dept. to conduct training sequences prior to demolition. Contact MFD Training Division to discuss possibilities: Division Chief Tracy Burrus at tburrus@cityofmadison.com or (608)266- 5959.

Please contact Kathleen Kane of the Parks/Forestry Division at (608) 261-9671 if you have any questions regarding the following two (2) items:

13. An existing inventory of trees (location, species, & DBH) and any tree removal plans (in PDF format) shall be submitted to the plans and Brad Hofmann – bhofmann@cityofmadison.com or 266-4816. All proposed street tree removals within the right of way shall be reviewed by City Forestry. Approval and permitting of street tree removals shall be obtained from the City Forester and/or the Board of Public Works prior to the approval of the site plan.
14. Existing street trees shall be protected. Please include the following note on the site plan: Contractor shall install tree protection fencing in the area between the curb and sidewalk and extend it at least 5 feet from both sides of the tree along the length of the terrace. No excavation is permitted within 5 feet of the outside edge of a tree trunk. If excavation within 5 feet of any tree is necessary, contractor shall contact City Forestry (266- 4816) prior to excavation to assess the impact to the tree and root system. Tree pruning shall be coordinated with City Forestry prior to the start of construction. Tree protection specifications can be

found in section 107.13 of City of Madison Standard Specifications for Public Works Construction - <http://www.cityofmadison.com/business/pw/documents/StdSpecs/2018/Part1.pdf>. Any tree removals that are required for construction after the development plan is approved will require at least a 72 hour wait period before a tree removal permit can be issued by Forestry, to notify the Alder of the change in the tree plan.

Please contact Adam Wiederhoeft of the Water Utility at (608) 266-9121 if you have any questions regarding the following three (3) items:

15. Private wells may have served the parcels associated with this project prior to municipal water service connections. The existing properties will require an internal and external survey for potential unabandoned private wells prior to proceeding with demolition. Any remaining unused/unpermitted private wells existing on this parcel must be properly abandoned according to Wisconsin Administrative Code NR 812 and Madison General Ordinance 13.21 prior to the demolition of the property. Please contact water utility staff at (608) 266- 4654 to schedule an on-site private well survey prior to demolition, otherwise for additional information regarding well abandonment procedures and potential well abandonment reimbursement programs.
16. The Madison Water Utility shall be notified to remove the water meter at least two working days prior to demolition. Contact the Water Utility Meter Department at (608) 266-4765 to schedule the meter removal appointment.
17. Madison Water Utility will be required to sign off as part of the approval review associated with this Land Use Application/Site Plan Review prior to the issuance of building permits for the proposed development.

Please contact my office at (608) 243-0455 if you have any questions regarding the following two (2) items, the second of which was added by the Plan Commission as an amendment to its approval motion:

18. As a future use was not presented at the time of application, the Plan Commission requires that the alternative future use be approved by the Plan Commission prior to the issuance of permits as allowed under Section 28.175(8)(a) MGO. The property owner shall execute a restrictive covenant prior to issuance of the demolition permit, which requires Plan Commission approval of the proposed alternative use of the property prior to issuance of building permits for any new construction. The standards for approval of the proposed alternative use shall be those in contained in Section 28.185 of the Zoning Ordinance. The form of the restrictive covenant shall be approved by the Planning Division and City Attorney's Office.
19. That pest control measures be implemented by the property owner prior to the razing of the residence according to a plan approved by the Building Inspection Division prior to final sign-off of the demolition permit.

Specific questions regarding the comments or conditions contained in this letter should be directed to the commenting agency.

Please now follow the procedures listed below for obtaining permits for your project:

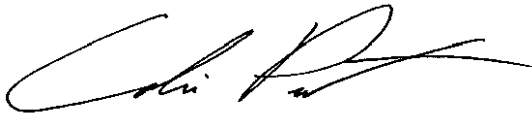

1. After the plans have been revised per the above conditions, please file **nine (9) sets** of complete, fully dimensioned, and to-scale plans, the appropriate site plan review application and fee pursuant to Section

28.206 of the Zoning Code, and any other documentation requested herein with the Zoning Administrator, 126 S. Hamilton Street. **This submittal shall all also include one (1) complete digital plan set in PDF format.** The sets of final revised plans or documents will be circulated by Zoning staff to the City department staff listed above for their final approval.

2. This letter shall be signed by the applicant to acknowledge the conditions of approval and returned to the Zoning Administrator when requesting conditional use approval.
3. A demolition or removal permit is valid for one (1) year from the date of the Plan Commission. Where the plans have not been altered since issuance of the demolition or removal permit and the permit has expired, the Director of Planning and Community and Economic Development may, after consultation with the Alderperson of the District, approve an extension for up to 24 months from the expiration date.
4. Any alteration in plans for a proposed alternative use shall require Plan Commission approval, except for minor alterations. The Zoning Administrator may issue permits for minor alterations or additions which are approved by the Director of Planning and Community and Economic Development and are compatible with the concept approved by the City Plan Commission and the conditional use approval standards.

If you have any questions regarding obtaining your conditional use or building permits, please contact the Zoning Administrator at 266-4551. If you have any questions or if may be of any further assistance, please do not hesitate to contact my office at 243-0455.

Sincerely,

Colin Punt
 Planner

I hereby acknowledge that I understand and will comply with the above conditions of approval for demolition.
