

BPW Meeting July 6, 2022

Review of Projects by Engineering Environmental Staff for Impacts to Water Resources

- 5. 72356** Approving plans, specifications and Schedule of Assessments for Atwood Avenue Assessment District - 2023. (15th AD)
- This project will need both a City and WDNR Erosion Control Permits and a Chapter 30 permit for a new discharge to Waters of the State.
- 6. 72289** Approving plans and specifications and authorizing the Board of Public Works to advertise and receive bids for Spring Harbor Dredging 2022. (19th AD)
- This project will need a City Erosion Control permit and a WDNR Chapter 30 Permit (which we have).
- 8. 72320** Approving plans and specifications and authorizing the Board of Public Works to advertise and receive bids for 2022 Mineral Point Landfill Gas Construction.
- This project requires WDNR concurrence for work occurring on a closed landfill. A City Erosion Control Permit is required.

Prepared by Greg Fries, City Engineering 6/30/2022
