A Mini Public Art Filmfest

Posted By *Anna Renken* On July 7, 2015 @ 12:00 AM In Featured, Public Art Review | [No Comments](#)

Stories about public art projects shared at the Americans for the Arts' Public Art Network Preconference in June inspired this hour-long DIY mini-film fest for *Public Art Review*.

Many of the projects listed below were selected for the [Public Art Year in Review](#), an annual event recognizing the best in public art; others are from various sessions including the late night traditional Five in Five Presentations. These represent a fraction of the hundred-plus projects discussed at the Preconference.

Enjoy the videos—and the art.
