the Neighborhood
conservation study
is completed Amend

(c) Survey. At the time an ordinance is introduced to create a Neighborhood Conservation District, the Council, on recommendation of the Plan Commission, may order that a survey of affected property owners and residents be made. The ~~Plan~~ ~~Commission~~ ~~shall~~ ~~determine~~ the scope of the survey. The Survey ~~shall~~ be returned within four weeks and shall be advisory to the Plan Commission and the Council in determining whether to create the District.
