G.2. 39184 Action on proposed removal of the bus shelter on State Street at W. Mifflin Street - TPC 07.08.15

June 18, 2015 except from Downtown Coordinating Committee's Draft Minutes*

On June 18, 2015, the Downtown Coordinating Committee motion on the removal of the bus shelter at the top of State Street.

On a motion by Crabb, seconded by Verveer, the following motion was approved unanimously:

City staff should work to remove the bus shelter as soon as possible, for a trial period this year, to observe the changes at Philosophers' Grove after the shelter is removed. The Downtown Coordinating Committee feels strongly that the issue of removing the shelter should be separated from the issue of finding a new location for it, as that will delay its removal. The DCC further encourages the Transit and Parking Commission to remove the corresponding bus stop and reroute those affected bus routes to the stop with the larger shelter located at North Carroll Street.
