Good afternoon, Jim. Can you please forward on to committee members? Thanks!

ALRC Members,

I'm unable to attend tonight's meeting, but wanted to share comments with you on items #20, 22, & 27.

20 (Visions) – I do not oppose allowing the basement remodel to happen, although it may no longer be needed given the loss of the adult entertainment license.

22 (Garver) – I do not oppose the request to allow amplified sound and the change in closing time on Friday & Saturday nights.

27 (The Boneyard) – I would request that this item be referred to a future meeting as the public information session has not yet been scheduled. I did leave a message with the applicant clarifying that this needs to occur prior to consideration of a new license.
