Name of Event: Event Type:
Estimated Attendance: Is this a new event:

Event Additional Information

Run/Walk: Music/Concert:
Festival: Rally:
Parade: Posting no parking signs or bagging meters?
Other:

If other, please describe:

Engineering EXPO is a two day event held annually at the University of Wisconsin-Madison's College of Engineering. We will need a no parking permit on April 5, 2019 to allow school buses to drop of and pick up around 2,500 elementary and middle school students. Participants at EXPO include Fortune 500 industry leaders, engineering student organizations on campus, individuals displaying their engineering projects and ideas, elementary and middle school students, and members of the Madison community.

Site Map

Each event application must include a detailed event site map with the following items a applicable:

- Accessible paths for wheelchairs as well as disabled parking spaces
- Dumpsters
- Emergency vehicle access lanes (minimum of 20')
- Event Perimeter
- Garbage and Recycling - cleanup and trash/recycling plans are required with the site map
- Portable toilets
- Signage
- Stages
- Temporary Structures
- Tents
- Vendors

A helpful online resource for route mapping is: [Map My Run](#)

I understand I must attach site map and route map with this application, if applicable:

Location Information

Capitol Square:

State Street Mall (700/900):

30 on the Square:

SAFETY AND SECURITY

- Complete the Emergency Action Plan (EAP) template below to provide information about the safety plan for your event.
- For large events, contact [Madison Fire](#) prior to submitting the street use permit application, so they can review and make recommendations for additional emergency plan requirements.
- At the review of the street use permit application, Police and Fire Department representatives may also require [Special Duty Police Officers](#) or Fire Inspector staffing at your event. If MPD designates an event as a District Event, the organizer must contact [Central District MPD](#), (608) 266-4482, regarding Madison Police requirements for the event.

Emergency Action Plan [PDF](#)/ [MS Word](#)

RUN/WALK EVENTS

For run/walk events, organizers are strongly encouraged to contact [Police](#), [Traffic Engineering](#) and [Madison Metro](#) prior to submitting an application so these agencies can review and make recommendations on the proposed route(s).

I understand that I must submit the Emergency Action Plan:

Equipment Rental - Downtown events only.

Will you need equipment rental from the City of Madison?(\$):

Trash Barrels:

Recycling Barrels:

Dumpsters:

Electrical Adaptors:

Marketing

Conditional approval of the event is required before promoting, marketing or advertising the event.

Do you want this included in the Madison Parks calendar of events?:

Acknowledgement

If a street use permit is issued for the event, the Applicant agrees to comply with all permit conditions, and understands that failure to comply with any condition or any violation of law may result in the immediate cancellation of the event

Further, the Applicant is legally responsible and financially liable to the City of Madison for all city fees and costs associated with the overall organization, management, and implementation of the event and its related activities and maintains ultimate liability for payment of all fees and costs assessed by the City of Madison.

I have read the Acknowledgement:

Indemnification

THE APPLICANT FOR A STREET USE PERMIT SHALL AGREE TO INDEMNIFY, DEFEND, AND HOLD THE CITY AND ITS EMPLOYEES AND AGENTS HARMLESS AGAINST ALL CLAIMS, LIABILITY, LOSS, DAMAGE, OR EXPENSE INCURRED BY THE CITY ON ACCOUNT OF ANY INJURY TO OR DEATH OF ANY PERSON OR ANY DAMAGE TO PROPERTY CAUSED BY OR RESULTING FROM THE ACTIVITIES FOR WHICH THE PERMIT IS GRANTED.

I have read the Acknowledgement:

No Parking Request for Breese Terrace on April 5, 2019

Event: UW-Madison Engineering Expo

1. Application Requirements
 - a. one day event fee – \$100

2. Complete a Street Event Schedule
 - a. 7:30am – set up for event starts
 - b. 9:00am – actual event start time
 - i. Buses will be dropping off students at the staircase between the Engineering Career services building and the UW practice football field on the east side of Breese Terrace. (Across from 214 Breese Terrace)
 - c. 2:00pm – event ends
 - i. Majority of the buses will be picking up students within an hour of this time. All students will be picked up on the east side of the street. This is an important detail to ensure that guests are not crossing the street to load buses.
 - d. 4:30pm – street and sidewalk cleaned up and parking will be opened by this time

3. Complete a Street Event Site Map
 - a. There will not be any tents/stages/fencing/etc. set up on the street Breese Terrace
 - b. No route map necessary since the street will not be used for any moving activity
 - c. Event Site Map Attached

4. Safety and Security
 - a. I will be setting up meetings with the UWPD, fire department, and risk control personnel at a time closer to the event to go over safety procedures and make all parties aware of the event.
 - c. Emergency Action Plan Attached

5. Cleanup and Recycling Plan
 - a. There should be no need for trash cans on Breese Terrace. Engineering Expo will set up and maintain several trash cans around engineering mall for the event.

6. Notification Requirements
 - a. Does not apply (no street closures, attendance < 10,000, and no bus or traffic rerouting)
 - b. Metro City Buses has been contacted about the event
 - c. Signs have been drafted to signify areas where buses can not park/stop/idle. These areas include narrow traffic lanes and crosswalks
 - d. Cones provided by the university to go along with the signs to alert the bus drivers of these areas

7. Insurance for your Event
 - a. I do not suspect city insurance will be needed

8. Bicycle Parking for your Event
 - a. There is plenty of bike parking around engineering mall

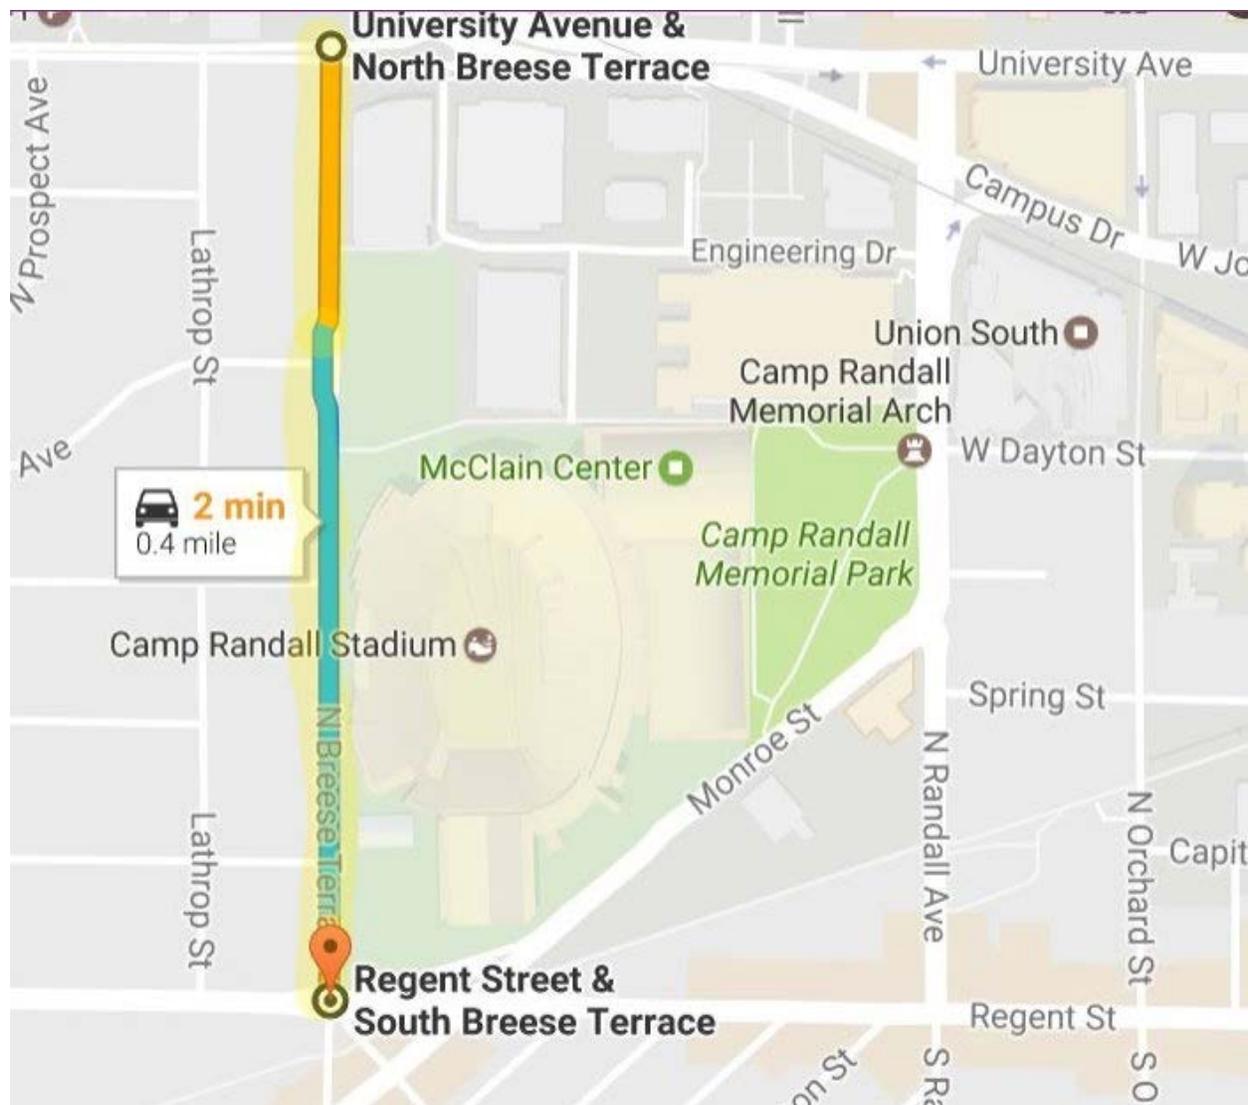

9. Marketing your Event
 - a. Not a part of the publicity for the event

10. Events with Amplification
 - a. There will be no amplification on Breese Terrace

11. Vendors at your Event
 - a. There will not be any beverage or food services on Breese Terrace

12. Beer/Wine Sales at your Event
 - a. n/a

13. Budget Planning
 - a. Application Fee \$100
 - b. Parking Meters \$2 per

EMERGENCY ACTION PLAN (EAP)

I. GENERAL

The "Engineering Expo" will be held April 6th, 2019 at the Engineering Hall.

II. PURPOSE

- A. This emergency action plan predetermines actions to take before and during the Engineering Expo (hereinafter referred to as the event) in response to an emergency or otherwise hazardous condition. These actions will be taken by organizers, management, personnel, and attendees. These actions represent those required prior to the event in preparation for and those required during an emergency.
- B. Flexibility must be exercised when implementing this plan because of the wide variety of potential hazards that exist for this event. These hazards include, but are not limited to, Fire, Medical Emergencies, Severe Weather, or situations where Law Enforcement is required.

III. ASSUMPTIONS

The possibility of an occurrence of an emergency is present at this event. The types of emergencies possible are various and could require the response of Fire & Rescue, Emergency Medical Services, and Police.

IV. BASIC PLAN

A. Emergency Action Plan (EAP) Event Representative

- 1. The EAP event representative will be identified as the point of contact for all communications regarding the event. This person is identified as PRIMARY CONTACT: Hayden Eisenrich

B. Emergency Notification

- 1. In the event of an emergency, notification of the emergency will be through the use of 911. The caller should have the following information available to the 911 operator: nature of emergency, location, and contact person with callback number.
- 2. We will not have on-site EMS
- 3. We will not have on-site Police or Security

C. Severe Weather

- 1. Weather forecasts and current conditions can be monitored through the [National Weather Service's Madison Weather Forecast website](#).
- 2. Before the event - If severe weather is predicted prior to the event, the EAP event representative will evaluate the conditions and determine if the event will remain scheduled. The EAP event representative or his/her designee will be identified as Hayden Eisenrich and will be responsible to monitor the weather conditions before and during the event.

3. During the event - If severe weather occurs during the event, the EAP event representative or his/her designee Hayden Eisenrich will make notification to those attending the event that a hazardous weather condition exists and direct them to shelter.
4. There are limited provisions for sheltering participants in the event of severe weather.
5. This event will follow the 30-30 Rule for lightning. If lightning is observed and thunder is heard within 30 seconds, the event will be delayed until 30 minutes have passed since thunder was last heard.

D. Fire

1. If a specific hazard has been identified as an increased risk of fire at this event, event manager will work with the Fire Department to determine how to address the hazard.
2. All event staff will be instructed on the safe use of Portable Fire Extinguishers.
3. If cooking is intended, you must contact the fire department and -
 - a. Must have a valid fire extinguisher, 2A10BC
 - b. Each space is allowed 1 LP tank per cooking device. All LP tanks are to be secured in an approved manner (tied, strapped, chained, etc.)
 - c. No cooking shall be allowed under a tent. Cooking shall be a minimum of 20' away from tents/canopies.
 - d. Cooking must be on a non-combustible surface (grease collection material generally required under cooking and food service areas)
4. Fire Inspectors may be required to do an inspection of your event (depends on size and nature of the event), contact the Fire Department for guidelines
5. All tents/canopies used for cooking shall have a FLAME SPREAD Certification attached to the tent.
6. Should an incident occur that requires the Fire Department, 911 will be utilized to request this resource. The caller should have the following information available to the 911 operator: nature of emergency, location, and contact person with callback number.

E. Medical Emergencies

1. As with any outdoor event, there is potential for injury to the participants. The types of injuries are various and include those that are heat related as well as traumatic injuries.
2. Event manager shall contact the Fire Department to determine if there is a need for on-site Emergency Medical Services at this event.
3. Should an incident occur that requires Emergency Medical Services to be called to this event, the caller will have the following information available to give to the 911 Center:
 - a. nature of emergency
 - b. precise location
 - c. contact person with callback number

F. Law Enforcement

1. The need for constant Law Enforcement presence at this event has not been identified. Event manager shall contact the Police Department to determine if there is a need for Law Enforcement presence at this event
2. Should an incident occur that requires Law Enforcement, to be called to this event, the caller will have the following information available to give to the 911 Center:
 - a. nature of emergency
 - b. precise location
 - c. contact person with callback number

G. Emergency Vehicle Access

1. Access for Emergency Vehicles will be maintained at all times.
2. 20' Fire Lanes are required to be kept open at events.
3. A 14' minimum height clearance requirement for anything that goes over a street or fire lane
4. Participants and spectators will be directed to park in approved areas and not to obstruct protective features, sidewalks or public throughways.
5. Crowd control will be managed by: Hayden Eisenrich
6. Parking for vendor and staff vehicles will be: Street Parking.
7. Parking for attendee vehicles will be: Street Parking.
