Re: Letter of Intent
Minor alteration to an existing conditional use
9062 Paddington Parkway
Bentley Green Condominiums
Lot 117 Hawks Landing Golf Club Plat

Dear Commission:

This Letter of Intent, along with the attached application and plans, are submitted for your consideration of final approval for our requested minor alteration to an existing conditional use. The existing conditional use is for a PRD in a R4 zoning district.

Alteration Description:

The Bentley Green development is located in the northeast corner of the Hawks Landing Golf Club plat. The PRD received conditional use approval in 2006.

The alteration consists of revisions to the exterior elevations of the previously approved 6-unit buildings. In general terms, the scale, proportions, and general architectural vocabulary of the buildings remain unchanged. Exterior finishes are changed, with Exterior Insulated Finish System (EIFS) and fiber cement siding/shakes replacing vinyl siding in some locations and the masonry products being more selectively located for current market developer cost concerns. Brick veneer remains on the Front elevations, and the roof is finished with asphalt shingles as on the 2006 approved elevations. Alterations to the window layout and sizes are shown on the attached drawings, and the small porch and columned entry at the end unit has been eliminated.

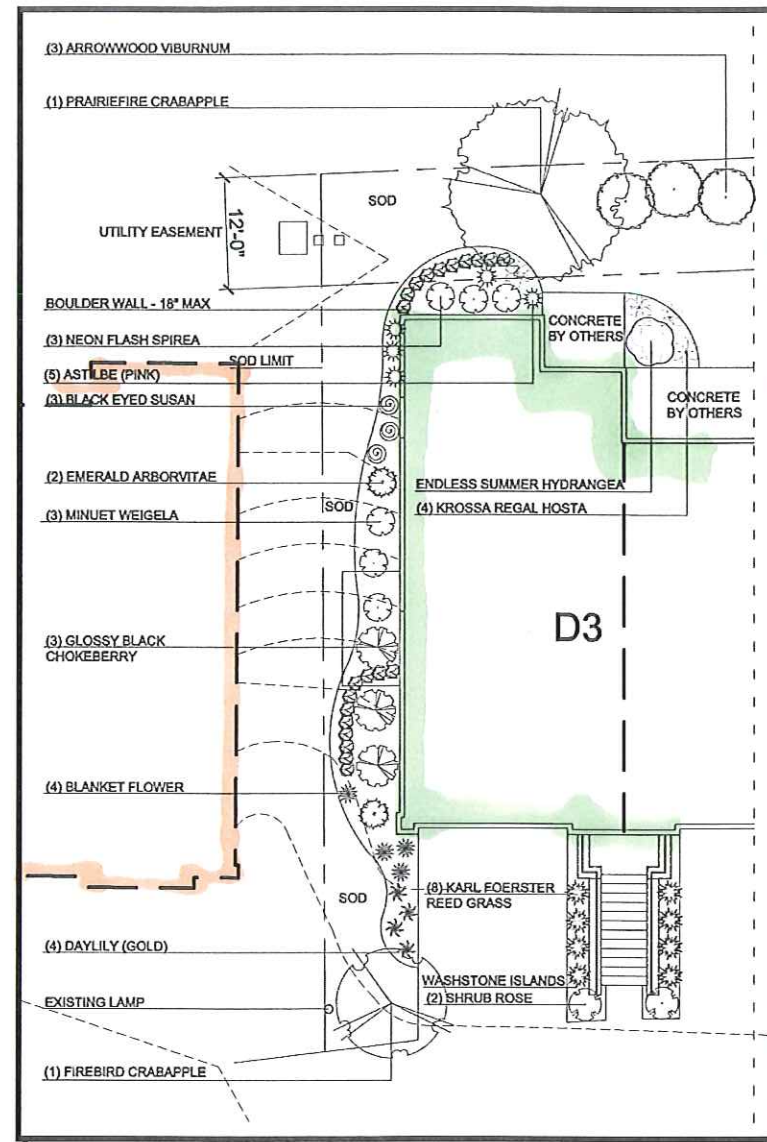

The same general color palette, and other previously approved development site data and conditions of approval will remain as approved.

Thank you for your time and consideration of our proposal.

Regards,
