Re: FlyHigh4vr LLC • dba That BBQ Joint - 11/16/2016 agenda item 7 / 44851

I am against removing the condition requiring That BBQ Joint meet monthly with the Marquette Neighborhood Association until the matter is resolved.

The owners of this establishment have not made a good faith effort to resolve the problems with the smoke and stink that they release into the neighborhood. They have refused help to pay for the equipment that would resolve the problem.

This is a matter of 24/7 smoke and smell invading their neighbors homes, a matter being good neighbors. To say this is about anything else, denigrates the genuine concern of their neighbors.

BECAUSE OF THE HOSTILE RESPONSE TO NEIGHBORHOOD RESIDENT'S CONCERNS BY That BBQ Joint, I ASK THAT MY COMMENTS ON THIS MATTER BE ANONYMOUS. PLEASE DO NOT INCLUDE MY NAME OR EMAIL ADDRESS.

Thank you, Anonymous Neighborhood Resident
