RE: Sonia Montero

DOC #: 619748

Agent Name: Zoey Meil

Phone #: 608-695-1276

To Whom It May Concern:

Sonia Montero was placed on community supervision on 01/04/2024 in reference to Case # 23CF1120- OWI (4th.) Ms. Montero started out meeting with her agent every two weeks and has made it to monthly office visits. Although the DOC does not usually approve OWI clients to continue employment at an establishment in which the main purpose is the sale of alcohol, Ms. Montero was allowed to continue bartending under the stipulation that she is on alcohol monitoring her entire term of supervision, scheduled to end on 01/04/2027.

Ms. Montero has in compliance thus far with her conditions of supervision and makes it to all of her scheduled appointments. Ms. Montero continues to work on her treatment plan and has made great progress to ensure she is the best version of herself.

If there are any further questions regarding Ms. Montero's progress on community supervision, please reach out to me via email or phone (Zoey.Meil@Wisconsin.gov, 608-695-1276).
