---

Thank you, Scott.

On Friday, I had an inquiry for historic information on the house from a prospective buyer for the house, who is interested in doing a renovation. He's selling the restored building he presently lives in so sounds like a candidate, should the present proposal not go through. He was realistic, but didn't find the prospect of a renovation of that house to be daunting.

Amy -

Please find the attached letter from the Marquette Neighborhood Association regarding 1112 Spaight Street.

Thank you,

Scott
