Fiscal Note

The Human Resources Department estimates staff time of up to 550 hours to research and report on the questions presented by this resolution. Human Resources will reallocate current staff to conduct this research and all associated costs will be absorbed in the 2007 Adopted Operating Budget. This reallocation of staff may slow normal Human Resources business operations (e.g. hiring requests) during the study period.

The Department of Civil Rights Affirmative Action Division estimates staff overtime expenses of up to \$1500 to complete the work associated with this resolution. No additional appropriation is required as these costs can be absorbed within the Department of Civil Rights 2007 Adopted Operating Budget.

The Council Office does not anticipates that any costs incurred due to this resolution will be absorbed within the 2007 Adopted Operating Budget.
