Mid-America's Vantage Series offers a very attractive wood grain raised panel design with a solid polystyrene core between two sheets of steel providing exceptional strength, durability, high insulation value, and quiet operation. Vantage Series combines striking appeal and value to any home.

Vantage Series

Mid-America's Vantage Series offers a very attractive wood grain raised panel design with a solid polystyrene core between two sheets of steel providing exceptional strength, durability, high insulation value, and quiet operation. Vantage Series combine striking appeal and value to any home.

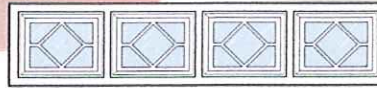

Standard Heights 6'6", 7'0", 7'6", 8'0"

Panels Wide	4	4	5	6	7	7	8	8	10
Floor Width	8'	9'	10'	12'	14'	15'	16'	18'	20'

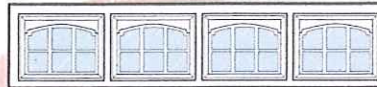

Standards

- Traditional raised panel wood grain design outside, flush white wood grain interior.
- 2 inch thick polystyrene insulation is pressure bonded between two sheets of steel for superior energy efficiency and sound resistance.
- Calculated R-factor of 9.4.
- All steel construction including interior stiles and end steel stiles for maximum structural support.
- Heavy aluminum bottom retainer for extra strength with thick vinyl weatherstrip runs the entire length of the bottom to conform with the floor and seal out the elements.
- Rugged hot dipped galvanized tracks, brackets, wide body hinges, and full steel ball bearing rollers. Torsion or extension springs deliver years of trouble-free performance and continuous smooth opening and closings.
- Inside security lock.
- Backed by a limited lifetime warranty against splitting, cracking, and rust through.

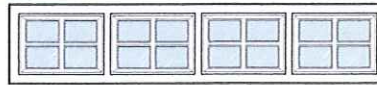

Options

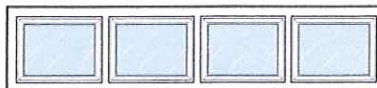

Waterton

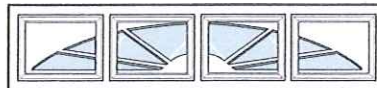

Cascade

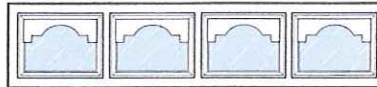

Colonial

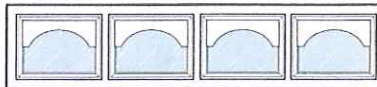

Glazed

Sunset (also comes in eight panels)

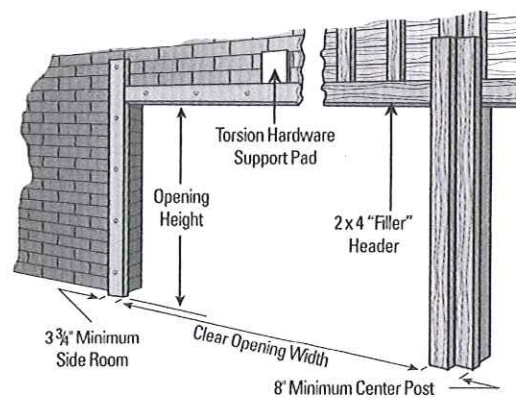

Ruston

Cathedral

- **Insulation:** Energy efficient polystyrene insulation pressure bonded between two sheets of steel.
- **Colors:** In addition to standard white, Vantage is also available in brown, almond, sahara and sandstone, or can be painted to match any color trim.
- **Windows:** Decorative windows and snap-in glazing inserts are available to compliment your homes architectural style.
