PART II

SHAWNEE PASS ASSESSMENT DISTRICT - 2025

BY: 
MariBeth Witzel-Behl, City Clerk

PUB: WSJ **January 31, 2025**

In 2024, it was discovered that the storm sewer box culvert that extends from Nakoma Park to the pond within the Arboretum was failing under the roadway. The City will be replacing portions of the failing storm sewer in conjunction with the Shawnee Pass Reconstruction project. The new storm sewer box culvert will be replaced with a larger sized pipe in accord with the Wingra West Watershed Study flood mitigation recommendations. The storm sewer replacement is **not assessable**. For more information on the watershed study please go to the project page and click on the final report link:

The Schedule of Assessments for all properties adjacent to the project is available on the project webpage at: <https://www.cityofmadison.com/engineering/projects/shawnee-pass>; a hard copy can be mailed to you upon request. The full Schedule includes greater details for the cost determination.
