

**AFFIDAVIT OF MAILING**

STATE OF WISCONSIN     )  
  ) ss.  
COUNTY OF DANE         )

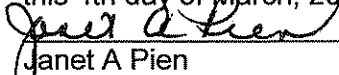

MARSHA HACKER, being first duly sworn on oath, deposes and says that:

1. She is an PROGRAM ASSISTANT 1 with the Office of the City Engineer, City of Madison, Dane County, Wisconsin, and did on the 4th day of March 2011, at approximately 10:30: AM, placed in envelopes addressed to each interested owner of respective addresses as indicated by attached assessment list, a true and correct copy of the notice of assessments for the project titled W. MAIN ST., BRITTINGHAM PL., RODNEY CT. ASSESSMENT DISTRICT-2011, attached hereto.

2. She did and delivered the envelopes to the Mail Room of the Dane County Printing and Services Division, 210 Martin Luther King, Jr. Blvd., in the city of Madison, Dane County Wisconsin, for postage and depositing in the United States Mail.

**NOTICE OF PUBLIC HEARING  
BEFORE THE BOARD OF PUBLIC WORKS  
FOR  
PLANS, SPECIFICATIONS, AND SPECIAL ASSESSMENTS  
FOR  
PUBLIC WORKS IMPROVEMENTS  
MADISON, WISCONSIN**

**PART I**

The Common Council of the City of Madison, Wisconsin, having heretofore decided that it is expedient and necessary that the improvements as listed in Part II hereof be improved at the expense of the property thereby on which would be conferred some special benefit.

NOW, THEREFORE, NOTICE IS HEREBY GIVEN:

That the City Engineer has prepared plans, specifications, a proposed schedule of assessments, and an estimate of the entire costs of the improvement for each of the districts listed in Part II hereof, and;

That the plans, specifications, a proposed schedule of assessments, and an estimate of the entire cost of the improvements listed hereto are available and open to inspection by all interested persons in the office of the City Engineer, Room 115, City-County Building, 210 Martin Luther King Jr. Blvd., between the hours of 7:30 a.m. and 4:00 p.m., Monday through Friday, and will so continue to be for ten (10) working days from the first published date of this notice, and;

That on WEDNESDAY, MARCH 16, 2011, AT 6:30 P.M., the Board of Public Works will hold a public hearing in, ROOM 108 (PARKS CONFERENCE ROOM) OF THE CITY COUNTY BUILDING and will consider any objections that may be filed in writing or in person and hear all persons desiring to be heard, and;

That special assessments may be paid over an eight (8) year period or fifteen (15) year period, with the owner paying 1/8 or 1/15 of the principal each year plus two and a half (2.5%) percent interest on the unpaid balance, as determined by the Board of Public Works.

That if the total assessment is paid in full before October 31st in the year that the billing is made, irrespective of project completion, then no interest shall be charged.

The City's TDD number is (866)-704-2315

If you require an interpreter, materials in alternate formats, or other accommodations to access this public hearing, please contact the Engineering Division at phone (608) 266-4751. Please make contact at least 24 hours prior to the date of this public hearing so that we can make proper accommodations.

Brynn Bemis

The City of Madison is proposing to reconstruct portions of West Main Street, Brittingham Place, Rodney Court and Clark Court in 2011. You are being sent this letter to notify you of a public hearing before the Board of Public Works regarding the project, at the above referenced date, time & location. City Engineering will make a short presentation at the meeting, followed by the public hearing. The project will involve special assessments to owners of property adjacent to the project. Attached to this letter is a Schedule of Assessments, which shows estimated costs for each property adjacent to the project.

The proposed limits of the project are: West Main Street from Proudfit Street to Brittingham Place, Brittingham Place from West Main Street to Proudfit Street, Rodney Court from Clark Court to Brittingham Place, and Clark Court from Rodney Court to Brittingham Place. The proposed project is a complete street reconstruction on Brittingham Place and Rodney Court including new curb and gutter, pavement, sanitary sewer, water main, storm sewer and drive aprons. West Main Street and Clark Court construction includes underground utility work and pavement replacement. Sidewalk will be replaced as necessary. The project is scheduled to take place during the summer and fall of 2011.

#### **Street Improvements**

The proposed street improvements include removing and replacing the existing curb and gutter, asphalt pavement and drive aprons. Sidewalk will be removed and replaced on an as needed basis, to repair any unsafe or damaged sections and as needed to install sanitary sewer laterals.

The City and the property owners adjoining the reconstruction will share the cost of the street improvements. The City shares the cost on a 50-50 basis with the property owners for removing and replacing the curb and gutter, drive aprons and sidewalk. The City assumes the entire cost for the new pavement and storm sewer improvements. The City also assumes the cost for curb and gutter and sidewalk ramps located at each street intersection. The attached Schedule of Assessments shows a breakdown of costs for each street reconstruction item and the total estimated cost to be assessed to each adjacent property owner. Please contact Eric Dundee, the Project Engineer, at 266-4913, with any questions regarding the street reconstruction.

### **Sanitary Sewer Main and Lateral Replacement**

The sanitary sewer main and laterals on West Main Street, Brittingham Place and Rodney Court limits of this reconstruction project were constructed between 1906 and 1956. The sanitary sewer main will be replaced with the project and will not be assessed to the properties. Sanitary sewer laterals are owned by the property owners and it is their responsibility to maintain them. It is the City of Madison Engineering Division's policy to pay for 75% of the cost to replace sanitary laterals within the public right of way (the length of sewer lateral between the sanitary sewer main and the property line) while the property owner is assessed the remaining 25% of that cost. The estimated property owner's share of the cost for lateral replacement within the public right of way is listed on the Schedule of Assessments. Replacement of the sanitary sewer lateral from the property line to your home is solely your responsibility and will not be coordinated or funded by the City. If you have questions regarding the replacement of your sanitary lateral please contact Mark Moder, of my staff, at 261-9250.

### **Storm Sewer**

The storm sewer main, leads, and inlets will be replaced as part of this project. Addition of water quality treatment devices for discharges into the bay are also proposed with the project. This work is not assessed to property owners. Max Conway is the storm sewer designer for this project; you may contact him with questions at 261-9127.

### **Water Main and Water Service Laterals**

The water main will also be replaced with the project. The existing water main within the project limits was installed between 1916 and 1921. The City will abandon the old main that currently serves the properties and will connect all of the properties to the new water main. Property owners will not be assessed for the new water main. Please contact Dennis Cawley of the Madison Water Utility at 261-9243 with questions regarding water main.

### **Impact on Trees and Landscaping**

City of Madison Forestry staff has identified two trees that will need to be removed during the project. The trees that will be removed are currently either damaged or in decline. These trees include:

- (1) 21" tree in the terrace @ 725 W Washington Avenue

Tree pruning and removal in advance of the project is required to reduce the risk of damage to the trees during construction. The City of Madison-Forestry section will perform the necessary work. For certain species, especially oak and elm trees, the pruning must be completed by mid-April to reduce the chance of disease.

During construction, it will be necessary to trim tree limbs and/or roots to accommodate the construction. Tree conflicts are often encountered with sanitary sewer lateral replacements. Tree roots that have caused sidewalk to heave will be cut back to allow construction of a level sidewalk. If, during the course of construction, it is determined that a tree must be removed, City Engineering will notify property owners adjacent to the tree to be removed, prior to removal.

Please note that construction will also have an impact on existing flower gardens and other plantings within the terrace. With the nature of this work, property owners should anticipate that most of the terrace will be disturbed, therefore, any plantings or special landscaping features that an owner wishes to save from damage should be removed from the terrace area prior to the start of construction.

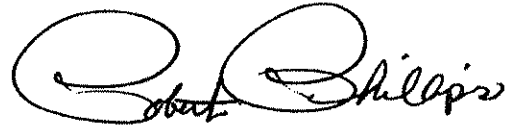

### **Special Assessments - General**

A special assessment is a special charge for work that the City is planning to complete. The attached Schedule of Assessments shows an *estimate* of the property owners' share of the project costs based upon the City's assessment policy. After the project is bid, and work is complete, a final assessment will be calculated based on bid prices and work actually performed. The final assessment, which will be billed after the completion of the project, is payable in one lump sum or over a period of 8 years, with 2.5% interest charged on the unpaid balance.

## Accommodation Requests

To request accommodations for special needs or disabilities or if you have any other questions regarding this project, please contact the Project Engineer, Eric Dundee at [edundee@cityofmadison.com](mailto:edundee@cityofmadison.com) or 266-4913. This includes requests relating to the Public Hearing and also requests relating to the actual operations of construction.

Sincerely,

A handwritten signature in black ink that reads "Robert Phillips". The signature is written in a cursive style with large, flowing letters.
