DRAFTER'S ANALYSIS: This ordinance changes the name and composition of the Board of Education/Common Council Liaison Committee. The Committee will now be called the Education Committee and will include, as members, two County Board Supervisors and a representative of the United Way of Dane County. As a result of these changes, this Committee can serve as a formal channel for the City of Madison, Dane County, the United Way of Dane County and the Board of Education to discuss and make recommendations regarding education related issues of shared concern.
