I am writing this to express my opposition to constructing a five story apartment building at this location. Aesthetically it will be grossly out of scale for this particular neighborhood and an eyesore. Will the next step be to replace my apartment building at 501 N Whitney, for a new monstrosity that I can't afford? I love this area, and my building is about the only place that is suitable and affordable in this neighborhood. Please reconsider this proposal, I hate the idea. Thanks for allowing me to express my views. -Thomas Calden
