

9/24/10.

Office of the Madison City Clerk.

Dear Sir,

My son Gerard Swaths was notified his application for an operators license was being reviewed by the ALRC at the Sept 29, 2010 regular meeting. The purpose of my letter is to request that his review be delayed till October's meeting because neither of us are available to make an appearance in his behalf. We are both available in October. Thank you for this consideration.

Sincerely,
Nathan L Swaths
Gerard's father
