

EXHIBIT B

An outdoor enclosed kiosk to be placed along the **SW Commuter Path near Odana Road** for the purpose of posting information from the Neighborhood Association on upcoming meetings, neighborhood news, and special events. The location will be 96 ft Southwest from Odana Road, and 7 ft off the Path on the Southeast side. This is an area that has several feet of almost level space alongside the path on this side.

The kiosk will be mounted on a single post set into the ground in concrete. It will be approximately 29 in high by 20 in wide, made of recycled plastic resin with lockable door of shatterproof plastic. The top of the kiosk will be approximately 5 ½ to 6 ft above ground.
