Good afternoon,

I am reaching out to you today to request that you hire Aeiramique Glass as the FT permanent IM for the City of Madison. She is excellent at what she does, is highly productive and has experience that very few people in the country have to do her job. She not only understands and supports the mandate of the ordinance and office, but also defends her employees vehemently, while confronting attacks head on. Aeiramique is not a former police officer (as were two former applicants) and fully supports independent oversight to the fullest.

My understanding is that the Board had been told by HR that there is a way to hire her as a permanent monitor if she was well received when you were setting up the hiring process. That original statement by HR needs to be upheld!

Please hire Meeka. Please protect this office and the families that need it.

Thank you,

Kristin Mathews
