Storm Drain Mural Project - 2019

Three drain locations all pre-approved by City of Madison Engineering to be painted on specified sidewalks or pavement with traffic paint by DAMA artists alongside community groups. This is a continuation of a county-wide mural project begun in 2018.

1. Marquette Neighborhood - Inlet on E. Wilson near McPike park across from Working Draft

2. Wingra Boats - NE Corner of Sprague and Monroe St. On Sprague next to Collectivo Coffee

3. O'keefe MS - Corner of S. Thorton and Spaight St., on Thornton
