RE: LNDSCM-2018-00049; ID 54205 – Certified Survey Map – 2402-2408 West Broadway

Dear Mr. Berg;

Your one-lot certified survey of property located at 2402-2408 West Broadway, Section 19, Township 7N, Range 10E, City of Madison, Dane County, Wisconsin, is hereby **conditionally approved**. The property is zoned CC-T (Commercial Corridor-Transitional District). The conditions of approval from the reviewing agencies to be satisfied prior to final approval and recording of the CSM are:

Please contact Tim Troester of the City Engineering Division at 267-1995 if you have questions regarding the following two (2) items:

1. Based on WDNR BRRS Record #03-13-000055), the property contains residual soil contamination. If contamination is encountered during development, all WDNR and DSPS regulations shall be followed for proper handling and disposal.
2. The following note shall be added to the certified survey map. "All lots created by this certified survey map are individually responsible for compliance with Chapter 37 of the Madison General Ordinances in regard to storm water management at the time they develop."
3. A minimum of two (2) working days prior to requesting City Engineering signoff on the plat/csm the applicant shall contact either Tim Troester at 261-1995 (ttroester@cityofmadison.com) or Brenda Stanley at 608-261-9127 (bstanley@cityofmadison.com) to obtain the final stormwater utility charges that are due and payable prior to sub-division of the properties. The stormwater utility charges (as all utility charges) are due for the previous months of service. All charges shall be cleared prior to the land division (and subsequent obsolesces of the existing parcel).
4. The construction of this project will require that the applicant shall enter into a City / Developer agreement for the required infrastructure improvements. The applicant shall contact City Engineering to schedule the development of the plans and the agreement. The City Engineer will not sign off on this project without the agreement executed by the developer. Obtaining a developer's agreement generally takes approximately 4-6 weeks, minimum.
5. The approval of this zoning approval does not include the approval of the changes to roadways, sidewalks or utilities. The applicant shall obtain separate approval by the Board of Public Works and

the Common Council for the restoration of the public right of way including any changes requested by developer. The City Engineer shall complete the final plans for the restoration with input from the developer.

6. The Applicant shall Construct Sidewalk to a plan approved by the City
7. The Applicant shall provide the City Engineer with a survey indicating the grade of the existing sidewalk and street.

Please contact Jeff Quamme of the City Engineering Division–Mapping Section at 266-4097 if you have questions regarding the following seven (7) items:

8. Add W BROADWAY for the street name as this is the other official street name for CTH BW.
9. Update all dates to the year 2019 within the certificates.
10. The Joint Ingress-Egress Easement per CSM 4826 no longer exists under the doctrine of title merger with both lots having identical ownership. Remove the easement from the map and place a note under notes acknowledging this.
11. Dimension the western end of the Vehicular Access Restriction on the map. Also show the associated type of hatching next to Note 4 to associate the hatching to the restriction.
12. Correct the Volume and pages for CSM 4826 in the header on each sheet and in the legal description. It is recorded in Volume 21 of Certified Survey Maps on pages 206-207.
13. Add the area under the Lot 1 label on sheet 1.
14. Dimension the length of the easements per Document No's 1570796 and 1901269.
15. Wisconsin Administrative Code A-E 7.08 identifies when Public Land System (PLS) tie sheets must be filed with the Dane County Surveyor's office. The Developer's Surveyor and/or Applicant must submit copies of required tie sheets or monument condition reports for all monuments, including center of sections of record, used in this survey, to Jeff Quamme, City Engineering (jrquamme@cityofmadison.com). If a new tie sheet is not required under A-E 7.08, Engineering requests a copy of the latest tie sheet on record with Dane County Surveyor's office and shall be attached to a signed and sealed monument condition report.
16. In accordance with Section s. 236.18(8), Wisconsin Statutes, the Applicant shall reference City of Madison WCCS Dane Zone, 1997 Coordinates on all PLS corners on the Plat or Certified Survey Map in areas where this control exists. The Surveyor shall identify any deviation from City Master Control with recorded and measured designations. City of Madison has established WCCS, Dane Zone Coordinates on all PLS corners within its corporate boundary. Visit the Dane County Surveyor's Office (web address <https://www.countyofdane.com/PLANDEV/records/surveyor.aspx>) for current tie sheets and control data that has been provided by the City of Madison.

17. The Applicant shall submit to Jeff Quamme, prior to Engineering sign-off of the subject plat, one (1) digital CADD drawing and one (1) signed copy of the final plat/CSM to the Mapping/GIS Section of the Engineering Division either as hard copy or Adobe pdf format. The digital CADD file shall be submitted in the WISDOT County Coordinate System, Dane County Zone datum in either Auto CAD Version compatible with MicroStation Version V8i, MicroStation Version V8i or older or Universal DXF Formats. The digital CADD file(s) shall contain the minimum of the items stated below, each on a separate layer name/level number. All line work shall be void of gaps and overlaps that would cause any parcel, street or easement to not properly close. All line work orientation and geometrics shall match the dimensioning as labeled on the final recorded plat:
- a. Right-of-Way lines (public and private)
 - b. Lot lines
 - c. Lot numbers
 - d. Lot/Plat dimensions
 - e. Street names
 - f. Easement lines (i.e. street, sanitary, storm (including wetland & floodplain boundaries) water, pedestrian/bike/walkway, or any public and/or private interest easement except local service for Cable TV, gas, electric and fiber optics).

NOTE: This Transmittal is a separate requirement from the required Engineering Streets Section for design purposes. The Developer/Surveyor shall submit new updated final plat, electronic data and a written notification to Engineering Mapping for any changes to the plat which occur subsequent to any original submittal of data and prior to final sign off.

18. Prior to Engineering final sign-off by main office for Plats or Certified Survey Maps (CSM), the final Plat or CSM must be submitted to Engineering Division Surveyor / Land Records Coordinator for final technical review and approval. This submittal must occur a minimum of two working days prior to final Engineering Division sign-off. Electronic mail submittal of the FINAL Plat or CSM in PDF form is preferred. Transmit to jrquamme@cityofmadison.com
19. This pending Certified Survey Map application shall be completed and recorded with the Dane County Register of Deeds (ROD) prior to issuance of any building permits for new construction. When the recorded CSM image is available from the ROD, the Assessor's Office can then create the new Address-Parcel-Owner (APO) data in GEO so that the Accela system can upload this data and permit issuance made available for this new land record.

Please contact Heidi Radlinger of the Office of Real Estate Services at 266-6558 if you have any questions regarding the following seven (7) items:

20. Signature block certifications shall be executed by all parties of interest having the legal authority to do so, pursuant to Wis. Stats. 236.21(2)(a). Said parties shall provide documentation of legal signing authority to the notary at the time of execution. The title of each certificate shall be consistent with the ownership interest reported in the most recent title report. The executed original hard stock recordable CSM shall be presented at the time of sign-off.
21. All ownership consents and certifications for the subject lands shall conform to Wis. Stats. 236.21(2), 236.34(1)(dm) and 236.29 by including the language ...surveyed, divided, mapped and dedicated....

22. 2018 real estate taxes are outstanding for both parcels within the CSM area. Per 236.21(3) Wis. Stats. and 16.23(5)(g)(1) Madison General Ordinances, the property owner shall pay all real estate taxes that are accrued or delinquent for the subject property prior to CSM recording. This includes property tax bills for the prior year that are distributed at the beginning of the year. Receipts from the City of Madison Treasurer are to be provided before or at the time of sign-off. Payment is made to:

City of Madison Treasurer
210 Martin Luther King, Jr. Blvd.
Madison, WI 53701
23. As of the date of this letter there are no special assessments reported. If special assessments are levied against the property prior to CSM approval sign-off they shall be paid in full pursuant to Madison General Ordinance Section 16.23(5)(g)1.
24. Pursuant to Madison City Ordinance Section 16.23(5)(g)(4), the owner shall furnish an updated title report to Heidi Radlinger in City's Office of Real Estate Services (hradlinger@cityofmadison.com), as well as the survey firm preparing the proposed CSM. The report shall search the period subsequent to the date of the initial title report (9/25/2018) submitted with the CSM application and include all associated documents that have been recorded since the initial title report. A title commitment may be provided, but will be considered only as supplementary information to the title report update. Surveyor shall update the CSM with the most recent information reported in the title update.
25. The owner shall email the document number of the recorded CSM to Heidi Radlinger as soon as the recording information is available.
26. Accurately depict, name, and identify by document number all existing easements cited in record title and the updated title report (see Engineering Mapping comments)..

Specific questions regarding the comments or conditions contained in this letter should be directed to the commenting agency.

A resolution approving the CSM and authorizing the City to sign it and any other documents related to the proposed land division will be reviewed by the Common Council at its February 26, 2019 meeting.

Prior to City Engineering final sign-off by the main office of the CSM, the final CSM shall be submitted to the Engineering Division Surveyor/ Land Records Coordinator for final technical review and approval. This submittal must occur a minimum of two working days prior to final Engineering Division signoff. E-mail submittal of the final CSM in PDF form is preferred. Transmit to [jqumme@cityofmadison.com](mailto:jrqumme@cityofmadison.com).

As soon as the comments and conditions have been satisfied as verified with a completed affidavit form (attached), the original along with the revised Certified Survey Map, with all signatures and approvals from the reviewing agencies, shall be brought to this office for final signoff. You or your client may then record the certified survey at the Dane County Register of Deeds. For information on recording procedures and fees, contact the Register of Deeds at 266-4141.

Any appeal from this action, including the conditions of approval, must be filed with the Circuit Court within 30 days from the date of this letter. **The approval of this CSM shall be null and void if not recorded in twelve (12) months from the date of the approving resolution or this letter, whichever is later.**

If you have any questions or if may be of any further assistance, please do not hesitate to contact my office at 243-0455.

Sincerely,

A handwritten signature in black ink, appearing to read 'Colin Punt', with a stylized flourish extending to the right.
