Dear Parks Commission Members:

On behalf of the Madison Parks Foundation please accept this letter as a formal request to name the shoreline at Burrows Park, the "Grant J. Frautschi Shoreline" after Grant Frautschi.

Grant served on Madison Parks Foundation board for more than 13 years, 12 of which were as the President of the Board. His leadership and love for our city's parks has moved the Madison Parks Foundation forward into a notable and credible organization in the local non-profit realm.

In addition to serving the Madison Parks Foundation, Grant serves on the Long-range Planning Committee for Madison Parks and has done so for 7 years. His service to the City of Madison continues as he serves on the Overture Center board, the Block 100 Foundation board and on the Grants committee at the Madison Community Foundation.

His years of continued commitment to the City of Madison and the City of Madison Parks Division is exemplary and a model for its residents now and in the future. The Madison Parks Foundation makes this request to recognize his commitment and service to this great city and their parks.

Thank you in advance for your consideration.

Sincerely,

Stephanie Franklin
Executive Director
