Dear Commission,

This crossing guard at Raymond and Gilbert is critically necessary for the safety of many students! I live nearby on Aspen and use that intersection regularly, and when I drive to work I see that crossing guard is helping children cross nearly every day, and that's just at the exact time that I'm driving through it. I have lived here for 17 years and that intersection was always dangerous, and is still very dangerous regardless of the updates. Even with the flashing strobe crossing lights I have witnessed vehicles blow through that intersection on Raymond various times! The cost of this crossing guard is by no means worth the life of even one of these children. Please do not remove this crossing guard!

Sincerely,
-Miguel Benson
