

CITY OF MADISON - LOBBYING ORDINANCE

NEEDED CHANGES

- Exemption for Public Hearings:
(Because you already have to fill out a form and register at the hearing)

- Duplication:
When one person in a meeting registers and accounts for the meeting, others in that same meeting should not have to file a duplicate registration.

- Compensation Based:
Should be switched to Time Based

- You should be able to speak out on issues before the city that are unrelated to a matter your business (or your employer) has before the city.

- 10,000 Sq. Ft.:
Should be changed to 20,000 to 30,000 Sq. Ft. so the ordinance doesn't capture small businesses.
