RE: Letter of Recommendation for District 11 Alder Replacement

The University Hill Farms Association is submitting a letter of support for Gary Peterson and Nick Schweitzer to fill the interim District 11 alder seat. Gary Peterson is a professional planner and Nick Schweitzer is a retired administrative law judge. Both have taken part in civic activities, and both are familiar with issues affecting District 11. Gary Peterson and Nick Schweitzer both currently serve on the University Hill Farms Association's Planning Committee. Gary Peterson is a current member of the University Hill Farms Association's Architectural Review Committee. Nick Schweitzer headed up the planning for our annual neighborhood July 4th picnic and he founded our annual Halloween Party and Parade. They are both conscientious and either candidate will bring a reasoned viewpoint to the Common Council discussions. We recommend either one for District 11 alder.
