Dear Police and Fire Commission Members

I wish to voice my total support of John Patterson as our next chief. After viewing all three videos, he stands out as the only totally qualified person to lead the department.

Having a daughter who graduated from the police academy with John, I know that he is fully respected by the entire department. We need someone who knows Madison and who has been involved in all areas of police work. John will stay here. He is dedicated to the Madison law officers and to the city.

Please select John Patterson as the next police chief!

Thank you for this opportunity to express my opinion.
