Subject: support of MNA recommendations regarding canopy tree preservation

I have lived in the Marquette neighborhood since 1995, all of that time on Williamson St. The character, charm and beauty of this neighborhood is unmatched in Madison, and is what put "us" on the 10-best neighborhood list. Part of this beauty and charm comes from the trees that line our streets and are a critical element of the ecology of the area.

I support of the MNA drafted plan for canopy tree preservation and urge you to do the same.

Thank you.
