

Hi,

I'd like to let you know we support the beer/wine license application for Double S BBQ. I've been a resident of Madison for 20 years, long enough to fondly recall Big Mama and Uncle Fat's, and would love to see Double S succeed here. I've visited them in Cambridge, and they've always been professional and courteous. I'll certainly go see them far more often when they have a location here in town, and feel it's a wonderful addition to the Monroe Street area.

Thank you,
