Hi Jean,

Could one of you forward this to ALRC members? (I'm sending it to you since you are listed online as the contact for ALRC, I realize this may have changed recently to or from you)

Thanks!  
Chris

Dear ALRC members,

I have multiple conflicts tonight and may not make it to ALRC in time for item #24, a license on University Ave for a new restaurant, Fuzzy's Taco Shop. I've spoken to them and think the restaurant will be a good addition (and will be one of the few restaurants on the Madison side of University Ave west of District 5, excluding Hilldale). I do not have any concerns about this license, nor have I heard any otherwise, and I hope it will be granted.

thank you,  
Chris Schmidt
