Strategy 7 Recommended Actions:

- a. Support development of neighborhood-scaled schools that serve the community while fitting within the context of the neighborhood.
- b. Ensure that Madison's existing schools can remain strong and viable by supporting housing for families with children near existing and planned schools.
- c. Work with Madison Metropolitan School District (MMSD) and surrounding school districts to ensure school attendance areas reflect development patterns and account for planned growth areas.
- d. Support expansion of the MMSD "Community School" program.
