**MISCELLANEOUS**

**Moving from the Madison Municipal Building to the Veterans Museum Building**

The Madison Municipal Building is being renovated over the next two years. All City employees once housed there have moved to other locations.

Apart from managing regular daily work tasks, November has been about recycling some old documents and gradually packing up the Economic Development Division, which includes Street Vending. Most of us were out of communication via computer or phone from mid-morning on Thursday, November 17<sup>th</sup> until mid-morning on Monday, November 21<sup>st</sup>. We are still unpacking and setting up storage areas as we juggle tasks through the work day.
