Please add Occupy Madison to the May agenda. They have officially withdrawn their application so we need to have the Committee recommend placing it on file.

Hi Brenda:

I'm writing to check on the status of the Occupy Madison proposal. Last we talked you were keeping the application open and were working on refining your proposal for the Fordem site. Will you be ready to present your project at the May CDBG Committee meeting?

We know through painful experience that freedom is never voluntarily given by the oppressor; it must be demanded by the oppressed. Frankly, I have yet to engage in a direct action campaign that was "well timed" in the view of those who have not suffered unduly from the disease of segregation. For years now I have heard the word "Wait!" It rings in the ear of every Negro with piercing familiarity. This "Wait" has almost always meant "Never."
