I and at least 3 of my neighbors park there and have permits to do so. That would be removing the places we need to park our cars. We live here and pay rent and removing those parking spots is gonna leave us in a really inconvenient situation, especially in the winter! The 6 spots at E Johnson and N Baldwin are the ONLY places we have to park as all the other spots are taken up by some guy living in a trailer and other residents! Thanks for your consideration. PLEASE do not remove those parking spots!
