TO: Monona Terrace Finance Committee

FROM: Connie Thompson, Executive Director

SUBJECT: **CAPITAL BUDGET 2023**

Attached is the information packet for Monona Terrace's 2023 Proposed Capital Budget.

This Capital Budget for 2023 is consistent with the 10-year Capital Improvement Plan developed by staff. The 10 year plan is reviewed and updated annually by staff and is attached for your review. The Hotel Room Occupancy Tax and our operating revenues fund Monona Terrace debt service, and Monona Terrace operating and capital budgets. Per the direction of City Finance, Monona Terrace was given the task of reducing our capital budget requests for the years 2021 – 2024, due to the Room Tax Fund being greatly diminished because of the COVID-19 pandemic, and the corresponding reduction in hotel stays.

The marketability and competitiveness of Monona Terrace as a physical asset is an essential element to our success. There are many convention centers and hotels across the country that our customers can choose from. The 2023 Capital Budget will continue to prioritize replacement of obsolete or dated equipment and finishes. Competition for business is fierce and only those convention centers that are well maintained, and able to meet current demands of the market will be successful. Additionally, some purchases will need to be made in 2023 for the 2024 renovations, such as the purchase of carpet for the building.

The Finance Committee should keep in mind that there is an upcoming 10 year renovation scheduled for 2024. The City of Madison has stated that funding for 2023 and 2024 renovation projects will be part of the City's general obligation borrowing. At the current time, the plan is for future years to be funded through Room Tax.

Below is a description of each attachment.

Attachment #1 2022 Capital Projects

Funding of \$1,400,000 was approved by the Monona Terrace Board in June 2021, and then approved by the Common Council in November 2021.
