Hi Jim,

Thank you again. I have not received anything but positive response from the community regarding granting this license to the new owner of City View Liquor, and Herb Taylor has told me that he does not plan on making any substantial changes to the business. Based on this and on Captain Nelson's feedback below, I'm very supportive of granting this license and would request this be placed on the consent agenda for next week's meeting.

Thank you,

Lindsay

I believe there is already a liquor store in this location and this is just a change in ownership is what my understanding is. The MPD would not have concerns.
