Plan

Draw a plan of the street, sidewalk and show the area that will be occupied below.

The form consists of a 3x2 grid of street plan diagrams. Each diagram shows a street intersection with a sidewalk and a dashed line indicating the area to be drawn. The diagrams are arranged as follows:

- Top-left: A street intersection with a sidewalk on the right side. The drawing area is to the left of the sidewalk.
- Top-right: A street intersection with a sidewalk on the left side. The drawing area is to the right of the sidewalk.
- Middle-left: A street intersection with a sidewalk on the left side. The drawing area is to the right of the sidewalk.
- Middle-right: A street intersection with a sidewalk on the right side. The drawing area is to the left of the sidewalk.
- Bottom-left: A street intersection with a sidewalk on the left side. The drawing area is to the right of the sidewalk.
- Bottom-right: A street intersection with a sidewalk on the right side. The drawing area is to the left of the sidewalk.

A North Arrow is located in the bottom right corner of the grid.

Applying for a Street Occupancy Permit

1. Obtain a Street Occupancy Permit application form. These are available at the Traffic Engineering/Parking Utility service counter or online at www.cityofmadison.com/development-services-center/land-development/public-right-of-way/street-occupancy
2. Complete the application form.
 - a. "Start date" is the date occupancy is to begin.
 - b. "Expiration Date" is the last date of occupation.
 - c. Fill in the street address of the Job Site. This includes street name and address number.
 - d. If there are additional streets being occupied, or the occupancy occurs on a different street than the address, complete the additional street section(s).
 - e. "Length of occupancy requested" is the length of street frontage in feet.
 - f. "Width of occupancy requested" is the width of the terrace, sidewalk, or street being used.
 - g. "Number of days requested" is the total number of days of occupancy.
 - h. Fill in the applicant information block.
 - i. Provide a sketch showing specific areas to be occupied and proposed placement of temporary traffic control measures.

Traffic Engineering staff will complete Special Requirements for Occupancy section.

3. Have your insurance agent complete the Certificate of Insurance (COI).

*Note: Applicants requesting a permit for containers/trailers, for moving or temporary storage, do not require a personal COI. See instruction below:

 - a. The City of Madison's Risk Management department reviews and approves the Certificate of Insurance. Any questions concerning the obtaining, completion or submission of a COI should be directed to them.
Contact information for Risk Management is as follows:

Website: <http://www.cityofmadison.com/finance/risk/>
E-mail: certificates@cityofmadison.com
Phone: (608) 266-4671
Fax: (608) 267-8705
 - b. The City of Madison needs to be the Certificate Holder and an additional insured.
Certificate Holder language should be listed as follows:

City of Madison
ATTN: Risk Management, Room 406
210 Martin Luther King, Jr. Blvd.
Madison, WI 53703

Also, the COI should list the City of Madison, its officials, agents and employees as additional insureds.
 - c. After completion of the COI, it must be submitted to Risk Management by e-mail, fax or in person. When the COI is sent in for approval, contact the Traffic Engineering official you were working with to verify it was approved. When it is approved, the permit can be issued.

4. Submit the Street Occupancy Permit Application and Certificate of Insurance to:

Traffic Engineering
Madison Municipal Building
215 Martin Luther King Jr. Blvd, Suite 109
P.O. Box 2986
Madison, WI 53701-2986
