**Introduction:**

The proposed development is located on Lots 5 and 6 of Paragon Place at Bear Claw Way between Paragon Street and Spirit Street and between Bear Claw Way and Lakota Way. The lots are zoned TR-V2 (Traditional Residential – Varied District 2) and the proposed townhomes are consistent with allowable conditional uses and quantities.

This development is the next phase of Paragon Place at Bear Claw Way for United Financial Group, Inc, and continues their offerings of various size housing units in this community.

**Project Description:**

The proposed development consists of 51 Townhouse dwelling units arranged in 12 buildings, each with attached garage parking. These units create additional housing diversity within the neighborhood. These residents will have access to the community space at the adjacent property including a large community room, exercise facilities, outdoor grilling and seating areas, yard games area, outdoor fire pit and an outdoor pool.

Lot 5 consists of eight building, which are all three-story wood frame construction and vary in size from 3-units, 4-units, and 6-units. Each unit will be a 2-bedroom style and include an additional bonus room on the lower level, along with private decks. Ground floor access to all Townhouse units has been provided with private exterior entrances. The exterior facades are finished in quality materials, which is predominantly brick veneer accented with composite siding. Trash and recycling will be collected within the units with curbside pickup.

The project is accessed via shared driveways on Paragon Street and Spirit Street and all parking is located directly behind the units in private garages and space to park directly outside of their garages.

This project will not substantially impair or diminish the use, value, and enjoyment of other properties within this neighborhood but will enhance the character of the neighborhood and bring additional opportunities for housing.

**Subject:** Notice of Land Use Application and UDC Application Submittals

Good afternoon Alder Conklin,

I wanted to formally inform you of our intent to submit a Land Use Application and UDC Application for the redevelopment of Paragon Place at Bear Claw Way - Lots 5 and 6, at the intersections of Lakota Way, Spirit Street, Paragon Street and Bear Claw Way. The development will consist of two lots having a combined area of approximately 3.57 acres. It will include the construction of a multi-phased project including six 3-story, 4-unit townhouse buildings, three 3-story, 6-unit townhouse buildings, and three 3-unit townhouse buildings. Enclosed parking will be provided within each building for a total of approximately 102 vehicles, along with surface parking on parking pads, and future surface parking stalls for 19 vehicles distributed about the site.

We are planning submit our applications on June 13. Please let me know if you have any questions or concerns regarding this development.

Thank you,
