Text the word "GMAPS" to 466453

We definitely think we need to restrict parking to one side of the street on most streets. If cars are parked on 1 with no where for cars to go. We're also thinking about safety as well as keeping the Hawks residents happy.

What we need to ask of the City of Madison:

Hawks Landing Circle after Windy Point intersection - No parking either side or in the loop!

Front Section of Hawks

Waterbend Drive - No parking even side
Autumn Hill Drive - No parking even side
Pineview Drive - No parking even side
Fairway Oaks Drive - No parking even side
Royal Oaks Drive - No parking odd side
Maplecrest Drive - No parking odd side

May 30th
Thurs. May 28

Back Section of Hawks

Kingswood Circle - No parking even side
Turnwood Circle - No parking even side
Lawn Brook Drive - No parking even side
Redan Drive - No parking even side

Other Side of Midtown Road

Hawks Ridge Drive - No parking odd side after Silverstone Lane intersection (road narrows)
Ashworth Drive - No parking odd side
Silverstone Lane - No parking odd side
Dregers Way - No parking odd side
