RE: Approval of a demolition permit to allow a single-family residence at 4817 Hammersley Road to be razed and a conditional use for an accessory parking lot to serve an office building located at 4902 Hammersley Road. (Chris Hornung, Midwest Equity Properties, LLC)

Dear Mr. Feller;

At its February 18, 2013 meeting, the Plan Commission found the standards met and **approved** your demolition permit and conditional use for 4817 Hammersley Road. The following conditions of approval shall be satisfied prior to the issuance of demolition and building permits for this project:

Please contact Janet Dailey of the City Engineering Division at 261-9688 if you have questions regarding the following eighteen (18) items:

1. Communicate with City agencies whether intentions will be ownership transfer or lease of lands for proposed accessory parking lot and provide proper documentation.
2. Construct sidewalk in the standard location through the driveways at 4817 Hammersley Road.
3. The construction of this building will require removal and replacement of sidewalk, curb and gutter and possibly other parts of the City's infrastructure. The applicant shall enter into a City/ Developer agreement for the improvements required for this development. The applicant shall be required to provide deposits to cover City labor and materials and surety to cover the cost of construction. The applicant shall meet with the City Engineer to schedule the development of the plans and the agreement. The City Engineer will not sign off on this project without the agreement executed by the developer. The developer shall sign the Developer's Acknowledgement prior to the City Engineer signing off on this project.
4. The applicant shall execute a waiver of their right to notice and hearings on the assessments for the installation of sidewalk along Hammersley Road in accordance with Section 66.0703(7)(b) of Wisconsin Statutes and MGO Section 4.09.
5. The applicant shall grade the property line along Hammersley Road to a grade established by the City Engineer. The grading shall be suitable to allow the installation of sidewalk in the future without the need to grade beyond the property line. The applicant shall obtain a Street Excavation permit prior to the City Engineer signing off on this development.
6. The applicant shall close all abandoned driveways by replacing the curb in front of the driveways and restoring the terrace with grass.
7. All work in the public right of way shall be performed by a City-licensed contractor.
8. All damage to the pavement on Hammersley Road adjacent to this development shall be restored in accordance with the City's Pavement Patching Criteria.

9. The plan set shall be revised to show a proposed private internal drainage system on the site. This information shall include the depths and locations of structures and the type of pipe to be used.
10. The applicant shall demonstrate compliance with Section 37.07 and 37.08 of the Madison General Ordinances regarding permissible soil loss rates. The erosion control plan shall include Universal Soil Loss Equation (USLE) computations for the construction period. Measures shall be implemented in order to maintain a soil loss rate below 7.5-tons per acre per year.
11. For Commercial sites less than 1 acre in disturbance, the City of Madison is an approved agent of the Department of Commerce and Department of Natural Resources (WDNR). As this project is on a site with disturbance area less than one (1) acre, and contains a commercial building, the City of Madison is authorized to review infiltration, stormwater management, and erosion control on behalf of the Department of Commerce. No separate submittal to Commerce or the WDNR is required.
12. Prior to final approval, this project shall comply with Chapter 37 of the Madison General Ordinances regarding stormwater management. Specifically, this development is required to provide oil & grease control from the first 1/2" of runoff from parking areas, and; complete an erosion control plan and complete weekly self-inspection of the erosion control practices and post these inspections to the City of Madison website as required by Chapter 37 of the Madison General Ordinances.
13. The applicant shall submit, prior to plan sign-off, digital CAD files to the Land Records Coordinator in the Engineering Division. (Lori Zenchenko) izenchenko@cityofmadison.com. The digital copies shall be drawn to scale and represent final construction including: building footprints, internal walkway areas, internal site parking areas, lot lines/ numbers/ dimensions, street names, and other miscellaneous impervious areas. All other levels (contours, elevations, etc) are not to be included with this file submittal. E-mail file transmissions are preferred. The digital CAD file shall be to scale and represent final construction. Any changes or additions to the location of the building, sidewalks, parking/pavement during construction will require a new CAD file. The single CAD file submittal can be either AutoCAD (dwg) Version 2001 or older, MicroStation (dgn) Version J or older, or Universal (dxf) format. Please include the site address in this transmittal.
14. The applicant shall submit, prior to plan sign-off, digital PDF files to the City Engineering Division. The digital copies shall be to scale, shall have a scale bar on the plan set, and shall contain the following items: building footprints; internal walkway areas; internal site parking areas; lot lines and right-of-way lines; street names, stormwater management facilities and; detail drawings associated with stormwater management facilities (including if applicable planting plans).
15. Prior to final approval of the demolition permit, the owner shall obtain a permit to plug each existing sanitary sewer and/ or storm sewer lateral that serves a building that is proposed for demolition. Prior to approval, the owner or owner's representative shall obtain a permit to plug each existing lateral that serves a building which is proposed for demolition. For each lateral to be plugged, the owner shall complete a sewer lateral plugging application and pay the applicable permit fees. Note: New plugging procedures and permit fees are in effect as of January 1, 2013.
16. The applicant's utility contractor shall obtain a connection permit and excavation permit prior to commencing the storm sewer construction.
17. All outstanding Madison Metropolitan Sewerage District (MMSD) and City of Madison sanitary sewer connection charges are due and payable prior Engineering sign-off, unless otherwise collected with a Developer's Contract. Contact Janet Dailey (261-9688) to obtain the final MMSD billing a minimum of two working days prior to requesting City Engineering Division signoff.
18. The site plan shall be revised to show all existing public sanitary sewer facilities in the project area as well as the size, invert elevation, and alignment of the proposed service.

Please contact Bill Sullivan of the Madison Fire Department at 261-9658 if you have any questions regarding the following comment:

19. The Madison Fire Department does not object to this proposal provided the project complies with all applicable fire codes and ordinances. Please consider allowing the Madison Fire Department to conduct training sequences prior to demolition. Contact the MFD Training Division to discuss this possibility at 246-4587.

Please contact Eric Halvorson of the Traffic Engineering Division at 266-6527 if you have any questions regarding the following seven (7) items:

20. The applicant shall relocate the Hammersley Road mid-block crossing shown on the plans to the west side of the westerly driveway of the new parking lot being constructed on the 4817 Hammersley Road site to allow for installation of a pedestrian refuge island. The refuge Island shall be at least 35 feet in length and will be designed by the Traffic Engineering Division. The developer shall post a deposit to cover design costs for the mid-block Crossing.
21. The applicant will need to enter into a developer's agreement to install the following:
22. The applicant as part of the developer's agreement shall agree to pay the City of Madison for the ongoing costs of maintaining the mid-block crossing of Hammersley Road, as this crossing is a direct benefit to the site. This shall be represented on the plans prior to final approval.
23. When the applicant shall submit plans for approval, the applicant shall show the following: items in the terrace as existing (e.g., signs and street light poles), type of surfaces, existing and proposed property lines, addresses, one contiguous plan (showing all easements, all pavement markings, building placement, and stalls), adjacent driveway approaches to lots on either side and across the street, signage, percent of slope, semitrailer movements and vehicle routes, dimensions of radii, aisles, driveways, stalls including the 2 feet overhang, and a scaled drawing at 1" = 20'. Contact the Traffic Engineering Division if you have questions.
24. The developer shall post a deposit and reimburse the City for all costs associated with any modifications to Traffic Signals, Street Lighting, Signing and Pavement Marking, and conduit and handholes, including labor, engineering and materials for both temporary and permanent installations.
25. Public signing and marking related to the development may be required by the City Traffic Engineer for which the developer shall be financially responsible.
26. The applicant shall execute and return a declaration of conditions and covenants for streetlights and traffic signals prior to sign off. The applicant will need to provide a deposit for their reasonable and proportionate share of traffic signal costs.

Please contact Dennis Cawley of the Madison Water Utility at 261-9243 if you have any questions regarding the following item:

27. The Madison Water Utility shall be notified to remove the water meter prior to demolition. All wells located on this property shall be abandoned if no valid well operation permit has been obtained from the Madison Water Utility.

Please contact Pat Anderson, Assistant Zoning Administrator, at 266-5978 if you have any questions regarding the following four (4) items:

28. Provide a reuse/recycling plan, to be reviewed and approved by The City's Recycling Coordinator, Mr. George Dreckmann, prior to a demolition permit being issued. Sec 28.12(12)(e) of the Madison Zoning Ordinance requires the submittal of documentation demonstrating compliance with the approved reuse and recycling plan. Please note, the owner must submit documentation of recycling and reuse within 60 days of completion of demolition.

29. Parking lot plans with greater than 20 stalls, landscape plans must be stamped by a registered landscape architect. Provide a landscape worksheet with the final plans that shows that the landscaping provided meets the point and required tree ordinances. In order to count toward required points, the landscaping shall be within 15' and 20' of the parking lot depending on the type of landscape element. (Note: The required trees do not count toward the landscape point total.) Planting islands shall consist of at least 75% vegetative cover, including trees, shrubs, ground cover, and/or grass. Up to 25% of the island surface may be brick pavers, mulch or other non-vegetative cover. All plant materials in islands shall be protected from vehicles by concrete curbs.
30. Lighting is required. Provide a plan showing at least .5 footcandle on any surface on any lot and an average of .75 footcandles. The max. light trespass shall be 0.5 fc at 10 feet from the adjacent lot line. (See City of Madison lighting ordinance).
31. Parking requirements for persons with disabilities must comply with MGO Sec. 28.11(3)6.(m), which includes all applicable State accessible requirements, including but not limited to:
 - a.) Provide a minimum of four accessible stalls striped per State requirements. These stalls shall be a van accessible stall 8' wide with an 8' striped out area adjacent to and on the passenger side. One each for the surface and underground parking areas.
 - b.) Show signage at the head of the stalls.

Please contact Kay Rutledge of the Parks Division, at 266-4714 if you have any questions regarding the following item:

32. All street tree planting locations and trees species in the right of way shall be reviewed by City Forestry. Please submit a tree planting plan in PDF format to Dean Kahl (266-4816) at dkahl@cityofmadison.com. Approval and permitting of tree planting shall be obtained from the City Forester and/or the Board of Public Works prior to the approval of the site plan.

Please contact my office at 261-9632 if you have any questions about the following two (2) items:

33. Revise the project plans per Planning Division approval prior to the issuance of a demolition permit for 4817 Hammersley Road as follows:
 - a.) Provide final details on the lighting controls for the accessory parking lot, including providing photometric information for the lot if the lights are to remain on after hours;
 - b.) Provide the final details of the fencing and screening, including elevations of the privacy fence;
 - c.) Revise the landscaping plan to show all existing landscaping and areas of tree cover to remain on the site.
34. The hours of operation for the accessory parking lot at 4817 Hammersley Road shall be 7:00 a.m. to 10:00 p.m. daily. Any change in the hours of operation for this lot shall require approval of an alteration to the conditional use by the Director of the Planning Division following a recommendation by the district alder.

Specific questions regarding the comments or conditions contained in this letter should be directed to the commenting agency.

No interior, exterior or structural demolition or wrecking activities or remodeling activities (including material reclamation activities by the applicant or a third party) shall commence nor any wrecking or building permits be issued until the applicant has met all of the conditions of approval stated in this letter.

Please now follow the procedures listed below for obtaining permits for your project:

1. Please revise your plans per the above conditions and submit **nine (9) copies** of a complete, fully dimensioned, and to-scale plans, the appropriate site plan review application and fee pursuant to Section 28.12(13)(a)10 of the Zoning Code, and any other documentation requested herein with the Zoning Administrator, Room LL-100, Madison Municipal Building, 215 Martin Luther King, Jr. Boulevard. The sets of

final revised plans or documents will be circulated by the Zoning staff to the City department staff listed above for their final approval.

2. This letter shall be signed by the applicant and property owner (if not the applicant) to acknowledge the conditions of approval and returned to the Zoning Administrator when requesting building permit approval.
3. No alteration of this proposal shall be permitted unless approved by the Plan Commission, provided, however, the Zoning Administrator may issue permits for minor alterations. This approval shall become null and void one year after the date of the Plan Commission unless the use is commenced, construction is under way, or a valid building permit is issued and construction commenced within six months of the issuance of said building permit. The Plan Commission shall retain jurisdiction over this matter for the purpose of resolving complaints against the approved conditional use permit.

If you have any questions regarding obtaining your building permits, please contact the Zoning Administrator at 266-4551. If you have any questions or if may be of any further assistance, please do not hesitate to contact my office at 261-9632.

Sincerely,

Timothy M. Parks
 Planner
