Re: Letter of Adjacency Review for 1101 E Washington Avenue

At its meeting on October 15, 2018, the Landmarks Commission reviewed, in accordance with the provisions of the Zoning code related to development adjacent to a landmark, the plans to construct an addition on the rear of the Madison Metro building for a service lane and bus wash. The Landmarks Commission found that the proposed addition was not so large or visually intrusive as to adversely affect the historic character and integrity of the adjacent landmark.
