Subject: 750 University Row Feedback

Tim,

I'd like to offer a non-condition statement on UW's application for extension at 750 University Row.

Road salt usage in the Well 14 area is a significant concern for District 19 residents. As the UW Health parking lot is practically within eyesight of Well 14, I ask that UW Health use a winter maintenance professional who has taken the City's Winter Salt Certification training class to limit the impact of this lot on the well.
